Hi,

Call me on my 1-800-777-8680 number when you get a chance. I'm at the office from 4 pm to midnight Tuesday through Saturday.

I finally got around to seeing the JFK movie. What a piece of fictional junk. Garrison was not one of my favorite people, and I am sure I was not one of his.

Hope you are feeling well.

Lonnie

Holiday greetings and best wishes for a bright and wonderful new year!
